Our Tenth Anniversary

1948
Hilltopper 10

Thomas Carr Howe High School

Indianapolis, Indiana

Ten Years of Progress Ma

IT WAS in 1938 that Howe opened its doors to four hun-

dred and fifty pupils, its first student body. The school had been

built on a site known as Violet Hill

where, on May 28, 1937,

the first spade of earth was turned for the ground breaking ceremony.

To commemorate this occasion a Pageant of Achievement was

held the following year where a Violet Queen reigned.

This

was the start of many traditions for Howe. In the second year Howe's enroll-

ment nearly doubled that of the first year,

therefore a gymnasium

and cafeteria were needed.

The initial activity held in this gym

ark Howe's Anniversary

was the First Nighter dance, the forerunner of the annual Hilltopper spring

dance. In the fall of 1940, the first Brown and Gold dance was held

at Howe.

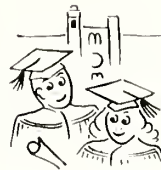

The Hilltopper made its debut

that spring on

the eve of the first Howe commencement.

Grounded on these

early traditions Howe has developed rapidly to become one of the outstand-

ing high schools in the city.

The following pages will review for

you the memorable events of this tenth year; for "Howe's Tenth Year Has

Been Its Best Year".

Thomas Carr Howe High School with its symbolic tower, impressive building, and picturesque walks is a familiar sight to all Howe students. We approach it from the east and look from the hill

over the campus, football field and track, or we stroll across the bridge and see, rising graciously from the grassy slope, this Gothic structure which dominates the realm of our school's activities.

The front steps are a favorite gathering place before and between classes where we catch up on the latest doings of our friends before scurrying to the next assignment.

Here in our well-equipped library, students have the opportunity to prepare their lessons, glance at the current magazines, or select books for reading pleasure.

Lunch period is always the brightest spot in our school day. While we eat and talk with friends, we listen to the latest popular records for enjoyment and relaxation.

Lockers house everything from insect collections and overdue library books to our latest pin-up pictures. Here, in the minutes between classes, we dig among the clutter and drag out books.

MR. CHARLES M. SHARP, OUR PRINCIPAL

Howe has been ably directed in its beginning ten years by Mr. Charles M. Sharp, whose graciousness and fairness have made him a friend of students and faculty alike. Assisting Mr. Sharp is Mr. Clarence R. Clayton, vice-principal.

Miss Virginia Childers, secretary, Mrs. Christianna Genrich, Mrs. Darlo Evans, and Mrs. Mabel Burkhart competently handle the business affairs of the school. The school deans are Mrs. Mildred Loew and Mr. Thomas Stirling.

* Has been on Howe faculty
for ten years.

The most vital phase of any school's program is its classroom work. Since a large per cent of our students are preparing for college, the curriculum is attuned to their needs. In the upper picture, Miss Alice Hankins instructs a grammar class, while below, Mr. Richard Hammond teaches a class in physics.

To round out the program of studies, ample selection of electives such as art, instrumental and vocal music, journalism, and gym, is provided. Pictured are a class in advanced art drawing from a model, and a dramatics class receiving instructions from Mr. Darrell Gooch in the correct application of stage make-up.

Pre-vocational training is offered to Howe boys wishing to explore the fields of printing, woodworking, metalwork, and drafting. Girls are instructed in classes of foods, clothing, nursing, and commercial work. Mr. Hervie Vertrees assists boys in shop work, while the girls receive sewing suggestions from Miss Lois Coy.

The Student Activities Board has become increasingly active as the student governing body of Howe. Each homeroom elects a representative to this board which is headed by the Cabinet pictured above. They are Janet Eickhoff, senior representative; Helen Aldrich, secretary; Harry Stewart, junior representative; Don Brown, president; Mike Wagoner, treasurer; Julia Moore, vice-president; Janice Sampson, sophomore representative; and Beverly Clendenin, freshman representative.

HAIL TO OUR QUEENS!

The 1947 Pageant of Achievement was highlighted when, to the strains of "Hail to the Queen of the Violets," Carole Davis, Violet Queen, ascended to the throne where the Philosopher of the Tower greeted her and reviewed the events of the past year. This Pageant of Achievement is held each spring to celebrate the birthday of the school and recognize the progress of the year.

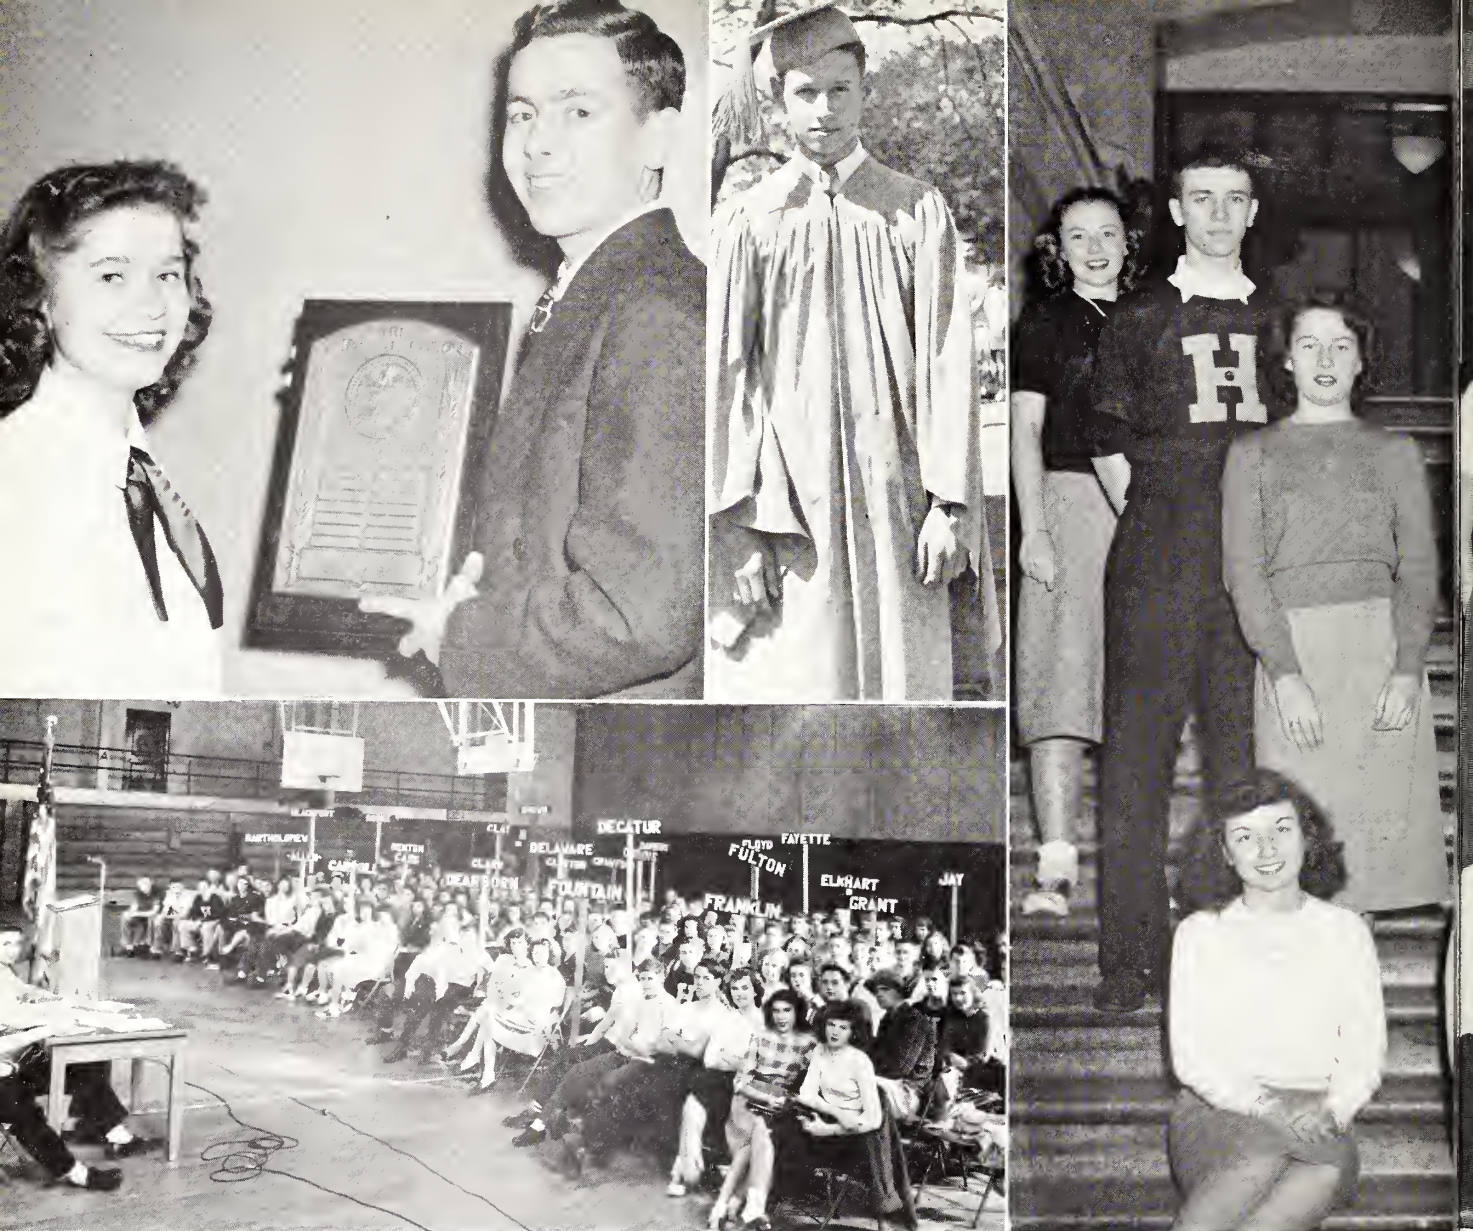

UPPER LEFT—Annually the Hi-Y Club nominates five girls as candidates for Hi-Y Sweetheart. Their choices were Beverly Toothman, Gloria Wood, Julia Moore, Mary Jo Taylor, and Jane Goken (reading clockwise). Jane was chosen as Sweetheart.

UPPER RIGHT—Track Queen Joyce Jones and her attendants Beverly Toothman, Diane Hays, and Margie Deputy are pictured after being honored by the track team.

HOWE STUDENTS RECEIVE AWARDS, HONORS AND RECOGNITION

BY PARTICIPATING IN MANY EXTRA CURRICULAR ACTIVITIES

of their court are (standing left to right) Gloria Wood, Harry Stewart, Margie Joslin, Joe Pirtle, Lois Rader, and Bill Schmadeke.

The senior year is the dream of every freshman, the goal of every sophomore, and the final realization of every junior. Howe's steady growth makes this year's graduation class the largest in the history of the school. The 1948 Senior Class, headed by Bill Mayer, president; Winona Locklear, secretary; John Edwards, treasurer; and Jean Schaffer, vice-president; has finally attained the top rung of the ladder here at Howe.

"320 COLLEGE AVENUE"

Sh! Don't tell! It's a surprise!

A surprise ending was in store at "320 College Avenue" for everyone who attended the Senior Play this year. Held in suspense for three acts, the audience was then informed that the characters were presenting a play within a play, and that nobody had been murdered.

Many hours of study and rehearsal went into the production of "320 College Avenue," but the finished product was well worth the efforts of the entire cast. The Senior Class is proud of the principal players, supporting cast, prompters, stagehands, house management, make-up, and all other committees that aided in making Howe's tenth year Senior Play a huge success.

Three performances were given on January 13, 14, and 15. The play, written by Fred Ballard and Mignon G. Eberhart, was directed by Mr. Darrell Gooch.

We will fight for our high school, Thomas Carr Howe! Rah!

Howe has added steadily to its participating sports program until it now has a wide range of interscholastic and intramural athletics. There is a thrill in competition, but there are also many benefits from it, both in physical skill and in character development by good sportsmanship. Coach Samuel Kelley gives last minute instructions to gridiron team members John Hartman, Bob Wood, Dick Merchant, Houston Swenson, and Dick Pence.

HOWE 1947 FOOTBALL SQUAD ENDS SEASON

Finishing their season with a record of eight wins and two losses, Howe's 1947 football team was fifth in the city standings. This was Howe's fifth year of gridiron competition and was undoubtedly the most impressive season.

Howe started its campaign with a hard fought victory over the Greenclads of Tech. The home team outscored the Hornets in the first half, 14-6, capitalizing on a Howe fumble to score their first touchdown in the first period. Late in the second quarter the Greenclads hit pay dirt again, but a touchdown pass from John Edwards to Jim Stutz tallied six points for the Brown and Gold. Howe came back in the second half with a pass to Stutz and an end run by Bob Wood, both good for touchdowns. At the final gun Howe stood ahead by a 19-14 margin.

In the Hornets' second game, Wood scored three markers, and Edwards one, to defeat the Frankfort Hot Dogs, 28-0. After Howe kicked off, Jay Gould nailed a Frankfort kicker behind the goal line and Howe went into a 2-0 lead.

Don Hyfield set up the Hornets first touchdown by making a brilliant runback on a Frankfort kick. Wood caught a pass from Edwards in the end zone, and the Indianapolis squad was on top 9-0 after Bill Mayer successfully converted. Wood crossed the goal line twice again, and Edwards once, to lead the Howe gridders to this easy victory.

The Hornets overpowered the Redskins of Manual in their third contest. Edwards and Hyfield went over for Howe's touchdowns as the Kelley-men won 13-0. Dick Pence and Edwards each scored for the Eastsiders as they extended their three-game winning streak by defeating Westfield, 14-6. A pass from Edwards to Pence in the second period put Howe ahead 7-0, as Mayer converted. Edwards slipped over on a quarterback sneak and the Hornets led, 14-0. Late in the last stanza, Westfield completed a pass and the final score read 14-6.

Coach Kelley's gridmen scored a 26-0 win at the cost of the Ben Davis Giants. Early in the second stanza, Knox set up Howe's first marker with a 46-yard march. John Bruckman broke through from the six-yard stripe and Howe led, 6-0. Hyfield and Wood each scored in the third period, and the Brown and Gold was on top, 19-0. Bruckman tallied another TD in the final quarter, and Mayer again converted.

Knox and Wood scored touchdowns for Howe as the Hornets overpowered Southport's eleven

on their own field. An interception by Ray Dobbs set up Howe's first touchdown march. When the teams left the field, the scoreboard read Howe 13—Southport 7.

Howe's seventh straight victory was scored over Warren Central, 14-0. Edwards and Knox scored in the second and final quarters, and Mayer successfully booted the pigskin between the uprights.

Meeting Washington with a clean seven-win record, the Hornets were overcome by a strong Continental eleven on the Westsiders' gridiron. Washington capitalized on a short kick by Howe in the first quarter to drive their way to the first marker. Again they scored in the fourth quarter when a Hornet punt was blocked. The final score read 13-0.

One of Howe's most decisive victories was scored at the cost of the Silent Hoosiers on the Deaf School gridiron. Led by Knox, who scored three touchdowns, Howe easily overcame its opponents by a 44-0 score. In their final encounter, the Hornet squad was defeated by a tough Broad Ripple eleven, 13-7.

The Howe eleven scored 178 points during their season to their opponents' 53.

Bob Wood, halfback, received the Men's 400 Club award for the most valuable player; and Bill Mayer, center, was chosen team captain at the annual football banquet, held at the close of the season.

Racking up their third victory in four starts, the reserve gridgers next downed Warren Central. In the final game of the season, a strong Washington eleven scored a win over our gridmen, and Crispus Attucks downed the Stirling-men in their last encounter.

AND STATE'S TOP TEAMS WITH GOOD RECORD

Including two tourneys and the Sectional Tournament, Howe's 1947-48 basketball team completed their season with nine wins and fourteen losses. The Brown and Gold squad played some of the outstanding teams of the state on one of the toughest schedules in its history.

The Hornets opened the season, November 29, at the Tech gym with a 51-28 loss to the Greenclads. Irving Thomas was high for the Brown and Gold. Washington, the Indianapolis Sectional winner, overpowered the Howe quintet in their second encounter by a 45-38 score. In the third contest Broad Ripple edged Howe, 34-33, when a Rocket guard swished the nets with a one-hand push-shot from the mid-stripe at the final gun. Franklin's Grizzly Cubs were responsible for the Brown and Gold's fourth loss as they pulled away in the last quarter to win 54-30 at the Franklin gym.

Edging out the Giants of Ben Davis, 40-38, Howe's courtmen won their first victory of the season. In the last ten seconds guard Joe Pirtle tallied from mid-court to break the 38-all deadlock.

December 18-20, the Howe quintet was defeated in its third game of the City Tourney by the Shortridge Blue Devils, who went on to win the city crown. The Eastsiders led 12-11, but Shortridge got hot in the final half and downed the tired Hornets, 32-17. In their first contest of the tourney, Howe's netmen defeated Sacred Heart, 57-36, and then scored a 48-44 victory over Broad Ripple.

Thump Broad Ripple in Holiday Tourney

In the Howe Holiday Tourney, which included Peru, Elwood, and Broad Ripple, the Irvington boys dropped their afternoon contest to the Peru Tigers, 47-24. Howe's Harry Stewart scored 12 markers. The Hornets triumphed over Broad Ripple in the consolation contest for their second win over the Rockets this season. At the intermission Howe was leading 21-18; Phil Barnhart dropped four field goals through the hoop in the final periods, and the Brown and Gold went on to win, 42-33.

January 9, the team journeyed to Greencastle for a nip-and-tuck game in which Howe was subdued, 44-42. John Edwards was high for

Howe with eleven points. The Hornets' next game was played at Lawrence Central.

The Bears jumped to an early 12-5 first quarter lead and were on top at the half, 22-15. Lawrence kept the lead and won, 45-26. Harry Stewart and Jim Stutz paced Howe to a 44-43 victory over the Columbus Bulldogs in the Hornets' gym. The game see-sawed, with Howe ahead at the half, 19-17, and the Bulldogs holding a 34-33 edge at the close of the third stanza.

Hand Defeat to City Champs

Shortridge fell next to Howe's fighting squad. Playing possession ball, the Hornets led in all four quarters to defeat the city champions, who earlier had downed us. Stewart and Barnhart led the Eastsiders to the 31-21 victory.

Howe's netmen lost to a fast Bloomington five, 36-26, on January 30. At the close of the first quarter the Panthers held a 11-6 lead, but the Eastsiders played well both defensively and offensively in the second period to lead 18-12 at the half. In the final periods the Bloomington quintet outscored Howe, 24-8, and ended on top. The Irish of Cathedral scored a basket in the closing seconds to win from Howe, 36-35. Spiess led the Hornets in this contest by dropping in 15 points.

Stewart was high for the Howe courtmen as Garfield of Terre Haute, one of the top-ranking teams of the state, edged out the Irvington squad, 42-36. Howe's leading scorer, Stewart, pumped in 22 points to lead the Hornet squad to a close 44-42 victory over the Crispus At-

tucks Tigers. The Eastsiders got off to a slow start but tickled the draperies for 21 points in the second period to lead at the half, 23-19.

The Cardinals of Southport outscored the Irvington netmen to defeat the Hornets, 46-41. Barnhart was high for the visitors with 13 points. Herman Hardwick tied the score in the closing seconds at 41-all, but Southport threw in two buckets in the final minutes of play to put the game on ice. Howe dropped their next encounter to Warren Central, 41-30. Playing a cold game, the Brown and Gold were only able to swish the nets for ten counters.

Win in Final Game Over Manual

Harry Stewart bagged ten points, while Spiess, Barnhart, and Edwards each dropped in seven markers to lead the Hornets to an easy victory over the Manual Redskins, 35-26. This game brought the Brown and Gold cagers' regular season to a close.

Howe's combination of Spiess, Barnhart, and Stewart was too much for Ben Davis as they defeated the Giants, 54-41, in the Hornets' first game of the Indianapolis Sectional Tourney. Spiess scored 16 points, and Stewart and Barnhart each 14, to hold the Ben Davis courtmen to 14-7, 20-17, and 38-26 leads at the period stops. Decatur Central's Hawks defeated a cold Howe quintet in the Hornets' final game of the tourney. Decatur built up a 12-8 lead at the end of the first stanza and was on top at the half, 28-23. In the final quarter Howe came within two points of the Hawks, but was not able to keep up with their pace. The final score was 45-40.

Harry Stewart was high point man for the season with 177 points, followed by Carl Spiess with 141, and John Edwards with 115 markers.

At the annual banquet, held at the close of the season, Herman Hardwick was elected captain, and John Edwards received the Men's 400 Club Most Valuable Senior Player Award.

MEET THE RESERVE AND FRESHMAN CITY CHAMPS!

The Howe freshman basketball squad won the City Championship by overcoming six of their nine city opponents. The team got off to a good start with victories over Fairview and Warren Central. In their next two encounters, the squad dropped decisions to Washington and Tech. The first year boys then came back to down their next four opponents. Lawrence Central, Cathedral, Columbus, and Shortridge fell before the Brown and Gold. In the following game, Southport's freshmen overpowered the Hornets. The squad bettered their 6-3 record by winning their next four contests. Ben Davis was subdued in a thriller; Cathedral was beaten; Washington, who previously had defeated Howe, was edged out in the closing seconds of a nip-and-tuck ball game; and Broad Ripple's Rockets were squeezed out in another close encounter. The Tigers of Crispus Attucks ended this winning streak (by defeating Howe 37-21), and in the Hornets' final game, Howe triumphed over Manual 26-23, coming from behind to earn this victory.

The Howe reserve squad turned in an impressive record of 12 wins and 4 losses. By defeating six of their seven city opponents the team captured the city championship. The Hornets scored a season total of 384 points compared to their opponents' 335.

The reserves won their first two encounters (over Tech and Washington) by one point margins. Broad Ripple fell next by a decisive score of 32-13, but the reserves lost the following two games to Ben Davis, and to Franklin.

The Hornets won their next three games over Greencastle, Lawrence Central, and Columbus. January 23, they lost their only game to a city team when Shortridge's reserves scored a 21-17 victory. The Howe reserves then had a four game winning streak, overcoming Bloomington, Cathedral, Garfield of Terre Haute, and Crispus Attucks. Southport was the fourth and last team to overpower the Hornet reserve squad. In the last two games of the season, Warren Central and Manual were victims of the Hornets.

Lead by Carl Spiess and Don Hyfield, Howe's 1947 spike team won five of their nine meets, including two triangular contests. Although none of Mr. Ray Bowman's cinder men were able to place in the annual State Track Meet at Tech, they came through to win second in the Sectional. Following closely behind Washington, Howe was second with 32½ markers. Don Raftery's 4:38.5 was tops in the mile event.

Bill Locklear, Gene McClarney, Bill Mayer, and Carl Spiess, who made up Howe's shuttle relay team, took top honors in the Indianapolis Relays, held April 25 at the Tech oval. These boys skimmed the hurdles at 52.2, just .7 sec-

ond off the event record. Coach Bowman's boys were seventh in this contest.

April 29, the Hornets bagged 21 1/5 points to place fifth in the City Meet. Locklear's second in the low hurdles, Raftery's second in the mile, Spiess's third in the high hurdles, and Wood's second in the pole vault were the main point getters for Howe.

Spiess and Hyfield were high point earners for the Hornets. Bill Locklear was elected captain of the squad, and Spiess was awarded the Men's 400 Club trophy for the most valuable player.

In a triangular meet with Ben Davis and Southport, Howe piled up 117 points. Ben Davis was second with 27; Southport, third with 22.

Howe placed second in its other tri-meet. Tech took top honors with 73 1/2; Howe earned 49 5/6; Crispus Attucks, 39 1/3.

In the Indianapolis Relays, the Hornets were seventh with 24 1/2 markers.

April 29, Howe earned 21 7 35 points to place fifth in the City Meet.

The Howe spikemen took second place honors in the Sectional Meet with 32 1/2 points.

In the State Meet, no Howe men were able to score.

CITY CHAMPION HARRIER SQUAD COMPLETES PERFECT SEASON

Pacing the city schools on their own course, the Howe cross-country team took first place honors in the city meet. Jack Wellman placed first, with Don Raftery following closely at his heels for a second place. Kent Pierce took third place, and Don Brown, Dave Cook, Tim Hunter, and Bob Harris were sixth, tenth, eleventh, and fourteenth, respectively. In five years of being host for the City Cross-Country Meet, this is the first year that the Hornets have been named city champions.

In the Sectional Tourney, Howe had bad luck. Wellman, who was running in first place, took a wrong turn on the strange course. This let Broad Ripple's Bob Rouse get a lead that Jack was not able to regain. Wellman ran second, with Don Raftery in third place. Bad luck struck again when Kent Pierce was not able to finish. All Howe squad members were among the first fifteen runners to finish the course. De-

spite their misfortunes, the Hornets finished in second place, only one point behind the first place Ripple Rockets.

The State Meet offered stiffer competition than the Sectional. Wellman and Raftery ran fourth and fifth to give Howe second place honors in the meet.

The Brown and Gold harrier squad ended its regular season with a perfect record of eight wins. Coach Ray Bowman's boys ran against five city and three county teams. The closest meet for the Hornets was run against a strong Broad Ripple team. Howe downed them, however, by a 26-29 score in the second meet of the season. (In cross-country the lowest score wins.)

The Howe squad defeated Washington, Lawrence Central, Shortridge, and Manual by the same score in each meet, 15-40. Ben Davis,

Technical, and Warren Central were other victims of the Brown and Gold boys.

Jack Wellman and Don Raftery, both seniors, were high scoring runners throughout the season. The boys consistently ran first and second, respectively, in most of the scheduled meets. Kent Pierce was a strong third place runner. Following closely were Don Brown, Dave Cook, Tim Hunter, and Bob Harris.

The reserve cross-country team ran with the varsity squad during the regular season. However, Coach Bowman was able to arrange one triangular meet with the Broad Ripple and Crispus Attucks reserve teams. In this meet, the Hornets showed that they had a powerful sting as they won by a very large margin. Coach Bowman plans for the team to run as part of the main varsity squad next season.

Although the freshman team followed the varsity during most of the year, Mr. Bowman

was able to enter them in two freshman meets. The Brown and Gold frosh defeated Broad Ripple and Washington in the meets. The best runners on the freshman squad were Don Riggs, Pete Alexander, and Ronald Daugherty.

LINKSMEN WIN NINE MEETS; TAKE SECOND IN CITY

Playing four city teams, the 1947 Howe golf team finished their regular season of eleven meets with nine wins and only two losses. Among the city squads they defeated Crispus Attucks, Shortridge, and Broad Ripple, losing only to Tech. Lawrence Central, Lapel, Anderson, and Marion were the Hornets' other victims.

The Brown and Gold was also represented in three tourneys. In the City-County Tourney they placed second to Tech's first, and in the State Tourney the Hornets came through with third place, following Tech and Bloomington. In the fall, Howe won the Bloomington Invitational Tourney.

Coached by Mr. Fred C. Lemley, Gerald Williams, Jerry Delks, Jack Pfeiffer, and Dick Hume were the leading linksmen. Reserve strokers were Don Givan, Don Armstrong, Bob Fields, Fred Espie, Dean Morrow, and Jan Payne.

Branching into social activities, the golf team co-sponsored Howe's first roller skating party, "The Ground Hog Roll," in February. The proceeds from this affair were used to purchase equipment for the team.

"H" MEN ARE HE-MEN

To win and wear the gold block "H" requires not only brawn, but brains as well. In order to be eligible for a varsity letter (eight inch block "H"), a boy must participate in the required number of games and practice sessions and also have passing marks in at least three solids. Those who have joined the select group of letter wearers are members of the Lettermen's Club. Boys from all varsity teams are listed on the club's roster.

Each year in cooperation with the G.A.A., the Lettermen's Club sponsors the "Winter Wonderland Dance" shortly before Christmas. The feature attraction of this year's dance was the floorshow presented by the Lettermen's "corps de ballet".

FIGHT! TEAM! FIGHT!

The cheering spirit at Howe football and basketball games is partly due to the enthusiasm of our cheerleaders. All are members of the Cheerleaders' Club which trains and prepares them for cheering at the athletic events. Freshman, sophomore, and junior members lead the yells at freshman and reserve games; and the senior club members direct the cheers at varsity games.

This year the club purchased new uniforms of brown slacks and gold blouses for the varsity cheerleaders. Under the sponsorship of Miss Jean Westphal, the members learn poise and good sportsmanship.

The Cheerleaders' Club is pictured on the second following page and the varsity cheerleaders are shown above.

G. A. A. ACCENTUATES THE FEMININE IN ATHLETICS

Hey there girls! Ever feel like exercising? If you're a smart gal you probably have, 'cause you know you can join the Girls' Athletic Association, and get your daily dozen as well as have lots of fun. This club, better known as the G.A.A., was made just for you so you can develop good sportsmanship and a better companionship with the other girls. Members of the G.A.A. are gals interested in becoming more skilled in special forms of gymnastic activities. These activities are: ping pong, volleyball, basketball, badminton and track and field apparatus. To become an active member and get your basic membership award, you must earn 50 points. A second award, which is a felt monogram, you receive for 150 points. The third award, for 300 points, is a chenille letter H, and the final award a sweater. The latter is presented for 500 points.

Your accomplishments as a G.A.A. member are displayed at the indoor gym meet held during the second semester of the school year. Other girls at Howe are also allowed to participate in special events, such as tumbling, and

work on the parallel bars and side horse. Another G.A.A. "first" was a track meet given by you and your fellow members.

You are able to help plan the annual "Winter Wonderland" dance given in cooperation with the Lettermen's Club. In addition, this year you and the golf team sponsored the "Ground Hog Roll."

As a climax to your G.A.A. year you attend the G.A.A. Banquet in May, where you receive your major award. At this time also, a cup is presented to the class which had the highest point total in the gym meet.

Activities play an important part in the life of the average Howeite. The after-school hours are filled with events which develop character, leadership, and personalities, as well as offering recreation and enjoyment. Typical of these activities is the HOWE TOWER, edited by Brandt Steele, assisted by Joy Wilson. Working energetically with them are Harry Rider, Carter Means, and Joan Ritzi, three members of the staff.

PIANISSIMOS, FORTES ARE SHOP TALK TO HOWE MUSICIANS

WATKIN'S WARBLERS

The Howe Choir, under the direction of Mr. Frank S. Watkins, is the outstanding vocal organization of our school. Members of the group, now numbering about 75, are chosen from the Girls' and Boys' Glee Clubs, after learning the fundamentals of vocal music.

Many of our assemblies are enlivened by the music which this organization presents. An operetta is presented biennially. This year's production was "Rio Rico," a two-act operetta by Ed Bradley and Don Wilson, which was given November 6 and 7. Leading roles were

played by Marilyn Dougherty and Mike Wagoner. The choir participates in the May Music Festival, produced by the entire vocal music department and orchestra. This is an annual program. Another performance included in the group's schedule is that of singing for the May Pageant as well as singing at Open House for parents and visitors to the school.

Outside performances include services at neighborhood churches and numerous other special engagements.

BURFORD'S BEST

The steady marching rhythm of music is a familiar welcome sound to Howeites' ears as they fill the seats and bleachers for all-school assemblies throughout the year. The Howe Band is the source of this music and playing for assemblies is only one of their activities.

Under the very able direction of Mr. Robert Burford, it has greatly improved from year to year. This year the band is at its best with fifty-five members who have been very busy all year playing for various programs. Some of their activities this year were the May Pageant and the Armistice Day Parade. Special projects

were playing at Billings Hospital and the Veterans' Hospital and their Evening of Music.

Of course they are a familiar sight to our football fans as they march for all home games. Led by the drum majorettes, Barbara May, Dorice Smith, Marcella Rosebrock, Joan Stevenson, Dorothy Mosiman, and Joan McMath, the band makes an impressive appearance marching down the field in their Brown and Gold uniforms.

Members of the B band are used to fill vacancies in the A band, and in this way the high quality of the band is maintained.

MELODY MAKERS

A group of sixteen boys and girls are chosen from the choir each year to form the boys' and girls' octets. They are directed by Mr. Frank S. Watkins.

The octets were organized in 1940, one of their first appearances being for a P.-T. A. meeting. Today, they sing for many events, such as school assemblies and church activities.

The group is city-known for their outstanding performances and radio appearances on local stations. They were guests of the Frank Parrish Program one evening, and have sung for the High School Hour.

SHEPARD'S SYMPHONISTS

The orchestra has become outstanding in the music department. Directed by Mr. John Shepard, they have provided pleasant music for school activities time and again.

Playing for the Senior Class Play, the operettas, Footlight Revelers' plays, and assemblies are only a few of the orchestra's activities. They share honors with the choir and glee clubs at the annual Music Festival in the spring. The organization is also a very important part of the vespers services at the close of the school year. The playing of "Pomp and Circumstance" is familiar music to every graduating Howeite.

The All-City Orchestra Festival, the most important project of the orchestra, was held this year at Caleb Mills Hall on April 25. Each city school had an orchestra present. Beginning with the smallest school orchestra, and ending with

the largest, each group had approximately twenty minutes in which to perform. The Howe orchestra numbers were: a selection from "Tannhauser" by Richard Wagner, and a special arrangement of the first movement of the "Haydn Concerto in D Major," with Barbara Weesner as the piano soloist.

The purpose of this festival is not for grading or criticism, but for the enjoyment of all city high school orchestra members. This year, as in the past, the Howe orchestra performed very well.

Awards for service rendered to the music department are presented to orchestra members for six or more semesters of participation.

In addition to his duties as director of the orchestra, Mr. Shepard also instructs beginning and intermediate classes in strings.

SERVICE IS OUR AIM

Although every pupil at Howe who has contributed to the Junior Red Cross is a member of the club, the Activities Committee of the Howe chapter takes care of all club projects. This committee elects officers and sponsors a membership drive. The members packed Christmas boxes to send overseas and gave a Christmas party at a home for elderly ladies. The club is sponsored by Miss Doris Hasler.

TESTING: 1-2-3

The service given by the boys in charge of the public address system is important in the school program. These boys, aided by Mr. Richard Hammond, operate the system for all school functions.

The boys shown operating the public address system are George Ferling and Robert Horn.

MICROSCOPIC MISCHIEF

The Science Club, organized this year under the direction of Miss Jerry Motley, furthers the basic knowledge found in all science classes. Many of the meetings are conducted as discussion groups. Some subjects of these discussions have been the diseases of the circulatory system and the topic of heredity. Those students working on the Westinghouse Science Scholarship are members of the club.

Helping them to get a clear perspective on each question is Mr. Hartwell Kayler, their sponsor.

OUR BUDDING JOURNALISTS LEARN THROUGH PRACTICE

These vivacious-looking people are those go-getting members of the HOWE TOWER staff. Brandt Steele and Joy Wilson as editor-in-chief and associate editor, respectively, head the staff of thirty-seven members which turns out the bi-weekly issue of the HOWE TOWER.

Their supervisor, Mr. Wayne Mellott, is a newcomer to the faculty this school year, and

has worked very hard with the staff obtaining outstanding results.

Staff members have all had the required semester of journalism before joining the staff. They then become reporters or proofreaders. Upon reaching this rung in the ladder, the reporters cover their assigned beats on Friday and the following Monday. The stories and

headlines are then written, and are checked by the copy readers and editors. Then the completed copy is sent to the printer. Finally, the finished paper is distributed to the students, and the staff immediately starts in the grind to turn out the next issue.

One of the most important parts of the HOWE TOWER staff is the News Bureau, whose members see that every important happening at Howe is printed in the local and downtown papers.

Also the editors and feature writers are kept busy writing editorials on happenings of the

day, or features for our entertainment.

Whatever the position held on the staff, everyone gets a thrill from seeing his story in print, and is hoping to please all the Howeites with a "best" issue each time.

Publications parties are held twice a year; the Christmas Party, and the Publications' Birthday Party in May. At the spring party, awards are presented to members of the staff for their service. A certificate is given to staff members for each semester's work. A pin is presented to seniors who have contributed two years of service on a publication staff.

BURNING THE MIDNIGHT OIL ATOP THE CIRCULAR STAIRCASE

Such comments as "Should it bleed at the top?" and "According to the dummy the head is two inches," might sound odd to the casual observer, but to members of the 1948 HILLTOPPER staff they're familiar jargon. These hard working students started their work on this masterpiece last spring, and also added to the credit side of their account book by sponsoring the spring dance, the Violet Prom. Production began in a big way on the first day of school in the fall. The subscription campaign was the primary task facing business managers Bill Mitchell and Harold Crawford. The staff was busy originating and rehearsing an assembly program and planning the 1947 Brown and Gold Dance. They also sponsored the Brown Boy and Golden Girl contest. Marilyn Cranston, homeroom editor, had charge of planning the picture schedules and writing identifications for her section. Jim Baker and Warren Wright as sports editors were busy keeping track of the scores of all athletic events and then writing the sports copy. Make-up editors Norma McMaster and Paul Taylor, and their assistants, Marilyn Bowers and Dick Hume, became very familiar with proportion wheels, glossies, and rubber cement,

before they got all the pictures mounted, ready for the engraver. Senior pictures and activities were the worry of Betty Kurz, while Carole Davis and Jane Marshall planned pictures and copy for the club and activities section. Editor Suzanne Auble and her associate, Mary Jo Taylor, had charge of the introductory and closing sections and kept their fingers in every pie of the year. Miss Ellen Kroll, sponsor, supervised the entire book.

There was the usual last minute rush by everyone to meet the March deadline. All pictures had been sent to the engravers and the entire book was then sent to the printer. Seniors began writing letters of instruction to their successors, while juniors began planning try-outs for positions on next year's staff. Then the staff began waiting eagerly for the finished product and the day when it could be presented to you.

Our thanks go to Ramos-Porter for all the pictures; Indianapolis Engraving Company; Clarence E. Crippin and Son, Inc., for the printing; and Kingscraft Cover Company for the covers. This book would not have been possible without their help and cooperation.

This has been the best of Howe's ten years, and we know that future Howeites will maintain the same high degree of achievement and progress that has been demonstrated in the first decade of Howe's history. In this 1948 HILLTOPPER, we hope to have recalled the memories of classes attended, the friends that were made, and the good times enjoyed here, so that each departing senior will have a tangible reminder of his days at Thomas Carr Howe High School.
